

Child Care plus+

Health and Safety Resources

Child Care plus+ has developed resources for child care providers and other early childhood professionals that provide practical strategies for implementing healthy and safe practices in early childhood programs.

- Newsletter 4.4 *Playing It Safe* - \$2.00
- Newsletter 5.3 *HIV/AIDS and Child Care: Myth and Reality* - \$2.00
- Newsletter 8.2 *Hooray for Handwashing!* - \$2.00
- Newsletter 10.4 *Healthy? Safe? It's Up to You* - \$2.00

- Handwashing Poster - \$3.00

11X14 laminated poster

- Maintaining a Healthy and Safe Environment Self-Assessment for Early Childhood Professionals - \$3.00

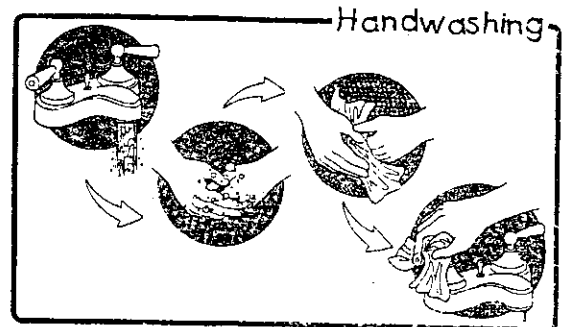

Helps providers evaluate practice as it relates to maintaining a healthy and safe environment for individual children.

- Health and Safety Checklist for Early Childhood Programs - \$5.00

Gives practitioners a firm grasp of the level of health and safety that currently exists in their programs and provides a means to identify and work on problem areas in a planful way.

- Curriculum on Inclusion: Practical Strategies for Early Childhood Programs - \$60

This comprehensive curriculum focuses on the practical knowledge and skills necessary to successfully practice inclusion. Includes twelve illustrated chapters, checklists, action plans, self-assessments, and posters.
